

## Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board  
895 Aerovista Place, Suite 101  
San Luis Obispo, CA 93401  
Attention: 401 Coordinator

<b>Project Applicant</b>	Rosemarie Gaglione – City of Goleta
<b>Applicant's Agent</b>	Rosemary Thompson – SAIC
<b>Project Name</b>	San Jose Creek Capacity Improvement Project
<b>Receiving Water</b>	San Jose Creek
<b>City/County</b>	Goleta/Santa Barbara
<b>Public Notice</b>	9/29/08 to 10/20/08
<b>Project Description</b>	<p>The purpose of this project is to redesign the San Jose Creek channel to improve flood protection and allow steelhead passage.</p> <p>The project activities include: removal and replacement of the existing concrete channel walls and bottom, excavation to widen the creek bed and form a fish passage notch, and installation of rock for the transition from the concrete walls to natural bank over approximately 50 feet of the stream north of the bridge. Approximately 50 feet of vegetated banks would be graded and a composite revetment with joint plantings would be placed at slopes up to 1.5:1.</p> <p>No compensatory mitigation was proposed for this project</p> <p>A Mitigated Negative Declaration has been approved for this project.</p>
